

ACORN RIDGE · WEARS VALLEY, SEVIER COUNTY

Five tables worth the drive

Every one of these is **highly rated on both TripAdvisor and Yelp** — not just one of them. Ordered by how long it takes to get there from the cabin door, so the first two are your weeknight options and the last two are worth planning around.

Everything made from scratch daily, and the one place in the county that draws big crowds and still holds a high rating across both platforms. Hand-cut steaks, chops and ribs; a serious cocktail list; Mount LeConte through the windows. **No reservations — go before 5.30pm or expect to wait.**

English Mountain Trout Farm & Grill — 4.8 on TripAdvisor across 920 reviews. You catch your own trout from the pond for \$5 and they cook it however you like. It is **49 minutes away**, which is why it is not on the list above, but families with children tend to think the drive was the point. *291 Blowing Cave Rd, Sevierville · (865) 429-5553 · Mon–Sat 11am–6pm.*
